

Delinquent Customers - If services are required to be turned off due to 60-day delinquency, a service charge of \$10.00 shall be added to the billing to disconnect and reconnect water service. In all cases in which water service is disconnected, an additional deposit of \$50.00 shall be required before water service will be restored.

Billing Responsibility - It shall be the responsibility of the consumer who requests water service and/or who has made the service deposit to pay all billings. However, whether or not the services are billed to a tenant, property owners shall be responsible for payment for one month's services upon notification by the Borough to the property owner that the tenant's bill is delinquent.

Vacancy - Regardless of whether a customer actively uses services during a monthly billing period, all buildings or units therein connected to the borough water or sewer service lines shall pay a monthly fee set at the base rate in the current year's rate schedule. However, no water/sewer rents above the base rate will be charged the customer if no water is used in the monthly billing period.

Request for Meter - A request for meter shall be made in writing 4 days before date of desired installation. If meter cannot be installed at that time due to work load of Borough and/or lack of meters, the consumer shall be billed on a flat rate basis.
